What makes Samsung TV Global No.1?

**18** YEARS  
Global No.1 TV

Beyond picture and sound, 4 things only in Samsung:

- Is energy saving too complicated?  
AI Energy Saving on SmartThings  
**AI Energy Mode**
- Is your TV protected?  
Your privacy? Secured.  
**Secured by Knox**
- Still wasting batteries?  
Sustainably charging battery  
**SolarCell Remote**
- Too many devices to manage?  
Your best home butler  
**SmartThings**

**Trade in & up**

Get cash back for your old TV in three steps\*

**Why Trade in & Trade up**  
Get cash back for your old TV in three steps\*

1. Purchase your new qualifying TV
2. Your new TV is delivered and pre-owned TV is collected
3. Get cash back upon successful evaluation

<https://www.samsung.com/za/offer/tv-trade-up/>

\* Global No.1 Source - Omdia, January 2024. Results are not an endorsement of Samsung. Any reliance on these results is at the third-party's own risk.  
\* Energy-saving rate may vary according to regions, models, sizes, viewing conditions or types of content.  
\* Secured by Knox applies to Samsung TVs powered by Tizen, launched since 2015.  
\* To charge the remote with solar energy, set the TV remote down with the solar panel facing up. Place it in your living room while your lights are turned on, or you can place it near a window where it will absorb natural sunlight. If the SolarCell Remote's battery is drained, it would need to be charged with a USB-C cable. The battery level of the SolarCell Remote can be checked through the pop-up guide on the TV screen.  
\* Channels may vary by country and are subject to change without notifications on Samsung TV Plus. Supported Samsung devices may vary by country. Requires Samsung account. UI is subject to change without prior notice. Ads may appear on Samsung TV Plus. Available for free on Samsung Smart TVs since 2016.

## 20-Year Warranty\*

### Refrigerators

**Last longer with up to 50% energy saving\*\***

The Digital Inverter Compressor gradually adjusts the speed at which it runs, depending on your specific cooling requirements. Meaning it suffers less wear and tear, and it operates silently.

\*20-Year warranty is limited to the compressor.  
 \*\*Based on internal testing.

### Washing Machines

**Enjoy a quieter, more powerful performance\*\***

The Digital Inverter Motor uses less energy than a Universal Motor as it works according to load size. The use of magnets, instead of brushes, also provides more durability and noise reduction.

\*20-Year warranty is limited to the motor.  
 \*\*Based on internal testing.

## Galaxy Watch Ultra

**Designed to withstand extreme conditions**  
Built to push the limits, while operating under challenging temperatures, altitudes, and water pressure.

### Durability

- 10ATM, IP68, MIL-STD-810H
- Suitable for ocean swimming
- Operating temperature -20°-55°
- Altitude resistance ~9 000m

### Display

- 47mm (1.47")

### Battery

- 590mAh

### Processor

- Exynos W1000 (5 Core, 3nm)

### Memory

- 2GB (RAM) + 32GB (ROM)

Trail Band

Marine Band

PeakForm Band

Image simulated. Galaxy Watch Ultra is water-resistant for 10 minutes in water with a depth of 100 metres according to the ISO22810 standard. The test was conducted in 5% salty water and 4ppm chlorine water. Galaxy Watch Ultra is water-resistant with an IPx8 rating based on the lab test conditions for submersion in up to 1.5 metres of fresh water for up to 30 minutes. It is not suitable for high-pressure water activities and diving. It may be used for shallow-water activities like swimming in a pool or ocean. Water-resistance is not a permanent condition and can diminish over time. Refer to the user manual for further information, including care/use instructions. Availability of colours, sizes, models, and watchstrap may vary.

## Galaxy Buds3

**Re-imagined design with superb sound**  
Discover details in your favourite songs. Re-engineered with an angled design to bring sound closer to your ears.

### All-new design

- Ultra-sleek modern design
- Improved wearability
- IP57 dust- and water-resistant

### Sound by Galaxy AI

- AI-powered EQ and ANC for personalised listening
- Super-clear calls

### Connected experience with Galaxy AI

- Real-time interpreter with listening mode
- AI voice assistant
- Voice command
- Find your Buds offline

### Change it up with just a touch

- Swipe up/down to adjust the volume
- Pinch to play, pause, or launch apps

The Powerpuff Girls® Case

Batman® Case

Image simulated. Available colours may vary. Galaxy Buds3 supports Galaxy AI features such as interpreter and Live Translate when paired with compatible Samsung Galaxy devices. Availability of Galaxy AI features may vary by device model.

**Circle to Search**  
 Circle it, find it. Just like that. While scrolling your fav social network, use your S Pen or finger to circle something and get Google Search results. Stumbled upon a photo of a backpack so beautiful that you just have to know what it is? Circle it and ta-da, you'll get results. Now you can quickly get an answer without leaving your feed.

**Live Translate**  
 The easiest way to communicate. Thanks to Live Translate, now you can get real-time interpretation while you're on the phone. Break down language barriers like never before - even through messaging. Reply back in your own language - it'll get translated on their end too.

**Photo Assist**  
 Resize it, retouch it. Just like that. AI-powered editing options let you get the photo you wanted, by relocating objects and intelligently filling in the space they have left behind.
